About Mother’s Refuge

We are a homeless shelter located in Jackson County, Missouri for pregnant and parenting young women between the ages of 12 and 21. Women can enter Mother’s Refuge at any point in their pregnancy and stay in our home up to one year postpartum. Over the past 31 years, our home has provided shelter and assistance to more than 1,700 young women and their infants.

We provide:

- a safe and nurturing family home
- nutritious food, clothing, and personal supplies
- individualized case management
- access to medical care and health insurance
- life-skills training and educational classes
- group outings for fun and relaxation
- adoption education, if desired
- therapy
- transportation
- aftercare program support

Mother’s Refuge offers a hand-up to the most vulnerable mothers and children in our community.

One of our recent graduates lived in a tent under a bridge and foraged for food from dumpsters.

After moving into our home she:

- received medical care
- obtained her GED & driver's license
- secured employment
- saved money
- purchased a vehicle
- learned valuable life-skills
- gave birth to a healthy baby boy
- secured a stable permanent home

She recently said, “I don’t know where my son and I would be without your love, support, and guidance! Thank you for helping me when I needed it most!”
